To: The Hawaiian Kingdom Government
210 Iolani Avenue Ste. 3
Honolulu, HI 96813

Dear Her Highness Kulamika Makekau Royal Minister of Foreign Affairs: :

I acknowledge receipt of your letter dated February 27, 2008, and I acknowledge that the former Treaty between the Italian Government and the Hawaiian Kingdom was enacted and valid for over a century. I also understand that this treaty was cancelled in August of 2007, for the Italian Governments failure to acknowledge your prior correspondence in an affirmative letter of acknowledgment.

This office on behalf of the Italian Government in Hawaii acknowledges that there was a prior treaty that was not between the US or the State of Hawaii but between the Hawaiian Kingdom and the Italian government.

We acknowledge and recognize that the Hawaiian Kingdom exists and is operating at 210 Iolani Avenue in Honolulu, Hawaii 96783. We appreciate your visits to our office and appreciate the relationship that Italy has with the Hawaiian Kingdom and it currently operating government.

With Best regards and respect,

Carmen Di Amore-Siah
Honorary Vice Consul of Italy in Hawaii
Representative for the Government of Italy
